

Sample Factual Document for EHD-RAG Testing

This document contains verified factual information intended for testing Retrieval-Augmented Generation (RAG), claim verification, and hallucination detection.

Tesla, Inc.

Founded: 2003

Founders: Martin Eberhard and Marc Tarpenning

CEO: Elon Musk

Headquarters: Austin, Texas, USA

Industry: Electric Vehicles and Clean Energy

SpaceX

Founded: 2002

Founder: Elon Musk

Headquarters: Hawthorne, California, USA

ISRO

Established: 1969

Headquarters: Bengaluru, Karnataka, India

Chairman: S. Somanath

OpenAI

Founded: 2015

Headquarters: San Francisco, California, USA

Important Note: This document intentionally omits several facts. If asked questions about information not present here (for example, Tesla revenue, Apple founders, SpaceX launch count, or OpenAI models), a grounded RAG system should report that the information is not supported by the retrieved evidence rather than treating outside knowledge as document evidence.
